

NEW TRAFFIC CARD WHICH ALL DRIVERS MUST GET BY AUG. 1

Slight Infractions of Law Are
Entered, Obviating Sum-
mons or Arrest.

The issuing of cards to be carried by drivers of horses or automobiles, showing at a glance how many times they have been warned by policemen for traffic violations, has been promulgated by Acting Police Commissioner John A. Leach in General Order No. 19, which goes into effect Aug. 1.

The order explains that the Violation Warning Card is designed to make effective the new provisions of the ordinances regulating traffic. Every vehicle driver must carry a card, which may be obtained from the commander of the police precinct in which he lives; persons from out of town may obtain them from the commander of the Traffic Division, at No. 230 West 20th Street. Holders of traffic cards have the privilege of going unmolested for five successive violations of traffic rules which do not endanger life, limb or property. For the sixth violation the holder must be summoned before a Magistrate, or arrested as a persistent violator.

On the hearing for the sixth violation charge, the Magistrate may recommend, on the face of the card, that a new card be issued to the holder.

Those who take out cards must fill out, in duplicate, a form on which is furnished a detailed statement as to the identity and personal appearance

1. The driver or operator of any vehicle on any street in the City of New York must carry this Card in his physical possession, and it shall be exhibited for inspection upon demand by any police officer. (Extract, Article 3, Chapter 24, Section 42a, Code of Ordinances.)

2. Upon conviction of a person holding a filled card, such person may, in the discretion of the Magistrate, be permitted to surrender the same and procure another in its place, if endorsement to that effect is made by the Magistrate on the filled card. If the card becomes lost or defaced, it shall be the duty of the holder to obtain a duplicate thereof, by immediately applying for same to the Police Commissioner, Traffic Division, 230 W. 20th Street, Manhattan.

3. After each of the five spaces have been filled, the officer observing a succeeding offense will arrest or issue a summons to the offender.

4. The holder of this Card shall immediately notify the Police Commissioner in writing of change of residence, employer or employer's business address.

On the reverse of the card is a space for entering the record of the five warnings—the nature and place of the violation, the date and the name of the policeman. The policeman who enters a warning on a card must make a report for forwarding to the traffic division to be filed with the record in that office.

If at any time the holder of a card

protests the fairness of a warning he has the alternative of going to court as a prisoner or on a summons to let a Magistrate settle the dispute. If the violation has caused damage or personal injury or risk of either, the policeman, in his discretion, may issue a summons or make an arrest.

GASSED VETERAN COMMITTS SUICIDE

Arthur Hart Knew He Had
Only Few Months to
Live.

A man who registered at the Clarendon Hotel, Brooklyn, at 10 o'clock last night as Arthur Hart of Panton, N. J., was found dying in his room at 9 o'clock this morning by a maid. He had shot himself in the head. A Cambridge Street Hospital ambulance took him to Kings County Hospital, where he died.

Hart left papers showing he was a member of Hayes Post No. 686, Veterans of Foreign Wars. On the

dresser in the room with a small sum of money was found this penciled note:

"Please notify Mrs. J. Hart, Gramercy 6116."
Gramercy 6116 is the Players Club and Mrs. J. Hart is employed there. Arthur Hart was her son.
He served thirteen months with the 77th Division, 302d Signal Battalion, was gassed in the Argonne and contracted tuberculosis after his return home. Three months ago he was sent to the Brooklyn Home for Consumptives, Kingston Avenue and St. John's Place.

Mrs. Beatrice Clifford, Superintendent of the home, said Hart had only about three months to live and knew it. He obtained a pass yesterday, saying he wanted to visit his mother.
